

## A List of 85 Sounds for Pauline

by Tom Bickley, 28 November 2016, Berkeley, California

### Preparation:

- A. Select one of these options  
Option 1: Write a list of 85 sounds you can hear  
Option 2: Write a list of 85 sounds you have heard
  
- B. Practice speaking these options at a consistent rate of one “sound” per second
- C. Use acoustic processing of your speaking voice, e.g., use a tube or your hands to affect the volume and timbre of your speaking voice.
- D. Practice speaking the list of sounds at the required rate/tempo with your chosen means of acoustic processing.

### Performance:

In the presence of at least one other sentient being, perform your list at the required rate/tempo with your chosen acoustic processing.

*I dedicate this work to Pauline Oliveros (1932-2016), with deepest gratitude, love, and listening.*
