Sing or play your purest sounds
Sing or play your deep sounds
Sing or play freely sounds that feel free
Find sound that is pure and deep and free
Sing or play purely, deeply, freely
Always

Thank you, Pauline, for living this way, teaching by example.
The night before Pauline gently left her body, as I was turning out the lights,
I suddenly thought "Purely, Deeply, Freely--that's my score for Pauline's
birthday"
